

All District Clinic Parking Plan

Sanderson High School **January 29-30, 2016**

We are looking forward to hosting the All District Clinic at Sanderson High School this year. There are some very important parking instructions that we need everyone to follow in order to help make the clinic go smoothly for all.

There are two entrances to Sanderson: one marked “Main Office” and one marked “Stadium/Gym/Auditorium”. On Friday afternoon, when you arrive at Sanderson, please enter the parking lot that is for the Stadium/Gym/Auditorium. Once you go up the hill you will see an open parking lot to your right. **This area is for drop off, only.** Once you bring your students in to register in the auditorium lobby, you must move your vehicles to Optimist Park. The lot we are using for drop off is our bus parking lot, and it must be clear in order to allow buses to pick up students when school dismisses. **All vehicles should be moved from the bus lot by 1:45 pm.**

To get to Optimist from Sanderson: Go down the hill from the Stadium parking lot after dropping off your students. Turn right onto Dixon Drive. At the stop sign, turn right onto North Hills Drive. Take the next right onto North Cliff Drive. Follow the signs to Optimist Park. You will turn right into Optimist. There should be plenty of parking in the area around the baseball and softball fields.

When you have moved your car to the Optimist Park parking lot, you can catch a “shuttle” back to Sanderson. Robert Hunter and David Robinson have graciously volunteered to use their mini buses to drive folks back after dropping off your vehicles. You may catch a ride back with them, and they can take you to pick up your vehicles before dinner.

Vehicles can be returned to Sanderson after 4:00 pm on Friday afternoon, and parked anywhere in either parking lot.

Sanderson isn't hosting any other events on Saturday. When you return on Saturday morning, you may park in either lot.

Thank you, in advance, for working with us on these important details.
