

2018 CENTRAL DISTRICT MIDDLE SCHOOL BAND CLINIC CLINIC REGULATIONS

The Central District Bandmasters Association has approved the following rules and regulations, and all directors and students participating in the clinic are expected to comply with them. Directors are responsible for informing students of these regulations.

1. No student shall be allowed to register or attend this event without his/her band director or a Central District approved substitute present. Students and parents will not be allowed to register themselves. Student supervision is also the responsibility of the director (or a Central District approved substitute) for the entire scheduled event. This includes all Saturday rehearsals. There will be no exceptions to this rule. If directors (or a Central District approved representative) are not present for Saturday rehearsals students will be sent home.
2. All students who are selected for membership in the All-District Band Clinic must participate in all planned events during the clinic. This includes concerts by visiting groups, all rehearsals, and all social events. Students will be sent home if they violate the code of good behavior during the clinic.
3. Students must be on time for all rehearsals. Additionally, if an emergency makes it necessary for a student to withdraw from the clinic, the student's band director should notify the clinic chairperson immediately.
4. Students should bring dress clothes for the concert. No band uniforms should be worn. Regular school clothing will be appropriate for rehearsals.
5. Individual directors will determine housing arrangements for the clinic participants.
6. All concerns or appeals related to any of the regulations listed above shall be directed to the C.D.B.A. chairperson.
